MILAN HIGH SCHOOL

MILAN, INDIANA

FOREWORD

---The 1955 Tattler brings you an inside tale of the events for the years 1954 and 1955.

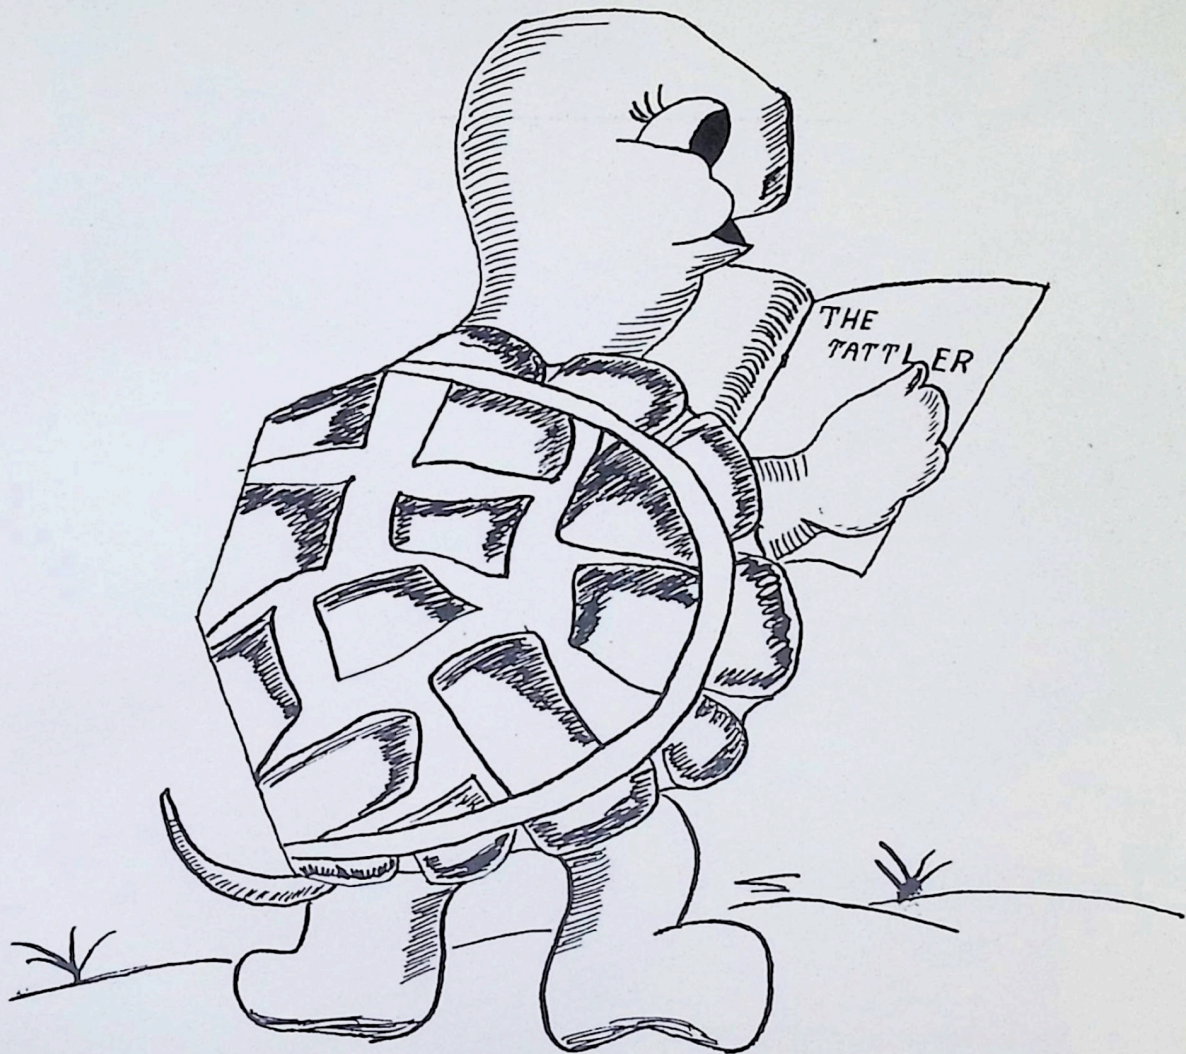

---We the staff along with Tatts the turtle invite you to travel with us through our exciting and eventful year.

---Through pictures we have tried to catch a glimpse of the personalities we know and love.

---We hope that in later years its pages help you to recall well known places and events at MILAN HIGH SCHOOL.

---The Staff

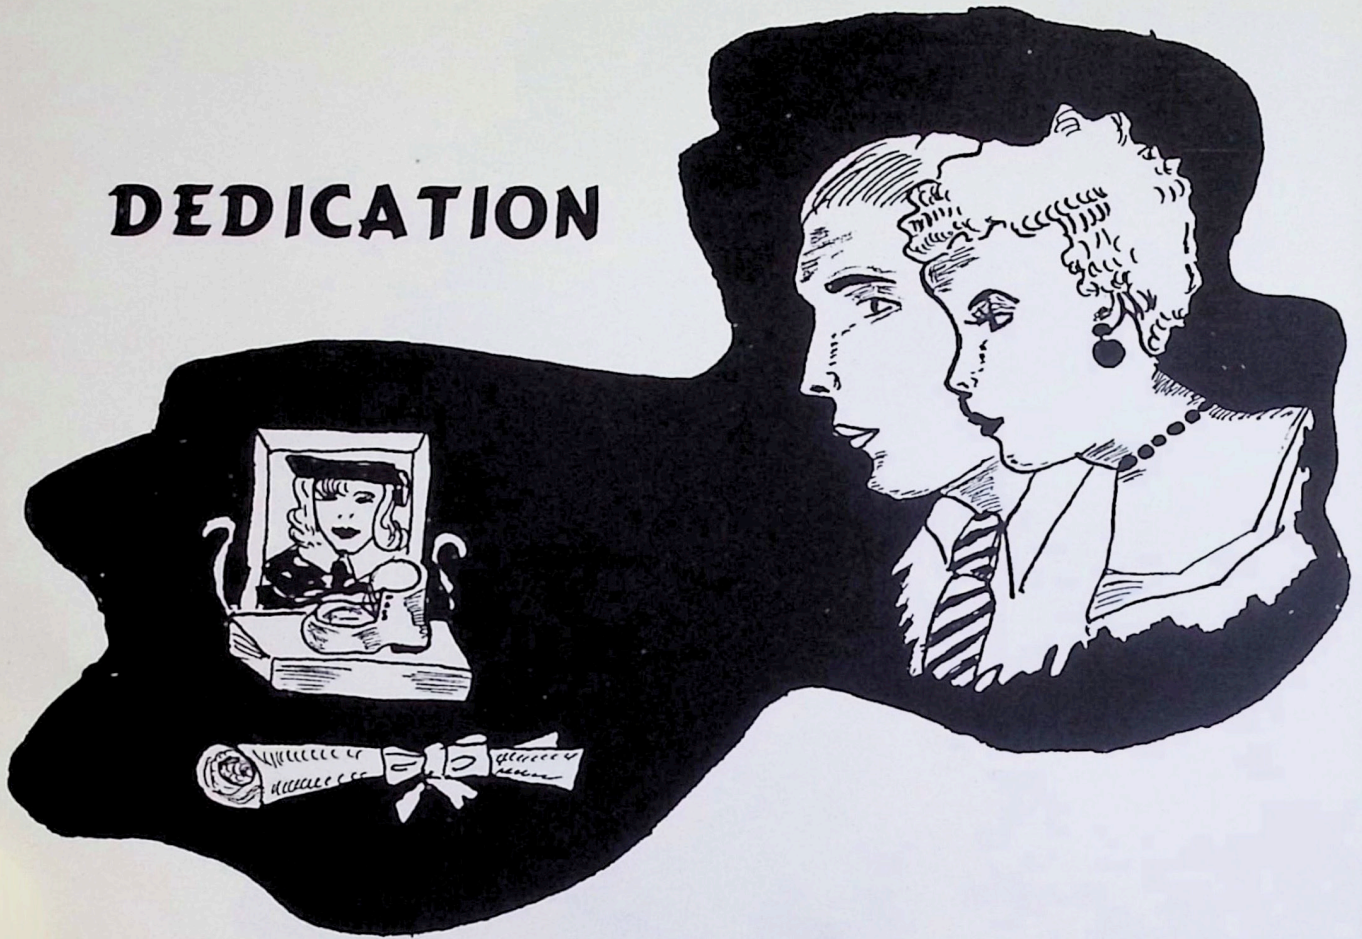

"HELLO FOLKS!"

I'M TATTS THE TURTLE

During the past year I have been poking about the halls of MHS, peeking into classes, attending class meetings, watching basketball practice, and being just plain nosey about the school. I took a lot of pictures and after looking them over I decided that you might find them interesting, so just turn the page and let's go on a review of the characters and events which made up our school year.

DEDICATION

We, the Seniors of M H S, would like to dedicate the Tattler to our parents in deep appreciation for helping us through our four most important years. Without your constant guidance and understanding it would have been impossible for us to obtain our goal. Our yearbook has been one of the most important achievements of our school year, and we would like to share it with you. Please accept the dedication of our annual as an expression of the love and appreciation we have for you.
